President

SUBJECT: Recommendation from the Council of Built Environment: Additional Signage for Cox-McFerrin Center for Basketball

At its November 8, 2011 meeting, the Council of Built Environment discussed the request received from Bill Byrne for additional signage at the Cox-McFerrin Center for Basketball. The signage would read "Women's Basketball National Championship 2011" and the lettering would be installed on the exterior of the Cox-McFerrin Building. Funding for this project will be from the A&M Athletic Department.

The Design Review Sub-Council reviewed the request at its October 19, 2011, meeting. The sub-council determined the additional lettering would match the type and size of the existing lettering on the building and recommended approval of the request as presented. The Technical Review Sub-Council reviewed the request on October 10, 2011, and supports the addition of the signage supporting the 2011 Women's Basketball National Championship team.

CBE members voted unanimously to make a recommendation to the President to approve the addition of "Women's Basketball National Championship 2011" signage be added to the Cox-McFerrin Center for Basketball.
