MEMORANDUM

TO: Dr. R. Bowen Loftin
   President

SUBJECT: CBE Recommendation: Additional Signage at Ellis Soccer Stadium

At its February 14, 2012 meeting, the Council on the Built Environment discussed a request from Bill Byrne on behalf of the Athletic Department to install additional signage at Ellis Soccer Stadium. The same lettering, "Ellis Soccer Stadium", would be installed on two brick walls for the naming of the soccer facility. The name was approved during the May 2011 Board of Regents meeting.

Design Review Sub-Council (DRsc) reviewed the request on January 18, 2012. The lettering will match the type and size of the existing lettering on surrounding buildings such as the Cox-McFerrin Center for Aggie Basketball. DRsc had no concerns and recommends approval.

Technical Review Sub-Council (TRsc) reviewed the request and had no concerns. TRsc supports the proposal to install signage and recommends approval by the President.

CBE unanimously voted to recommend the President's approval for the addition of the signage at Ellis Soccer Stadium.

Karan L. Watson  4-6-12
Provost and Executive Vice President
for Academic Affairs
Co-Chair, Council on the Built Environment

Rodney F. McClendon  4-4-12
Vice President for Administration
Co-Chair, Council on the Built Environment

Recommendation Approved:

R. Bowen Loftin  4/9/12
President

To:    Dr. Karan Watson, Provost & Executive Vice President
       Co-Chair, Council on the Built Environment

       Rodney McClendon, Vice President for Administration
       Co-Chair, Council on the Built Environment

Thru:  Bill Byrne, Director of Athletics

From:  Kevin Hurley, Associate Athletic Director for Facilities

Date:  December 1, 2011

Subject:  Ellis Soccer Stadium at Texas A&M University

The Texas A&M Athletic Department is seeking additional signage at the Ellis Soccer Stadium.

The signage is for the naming of the Soccer facility. The same lettering would be installed on two (2) brick walls. One wall is located on the inside of the Soccer field (see Photo #1) and one wall is located around the outside of the Soccer field (see attached Photo #2).

Thank you.

RE: Design Review Sub-Council Report  
    Signage at Ellis Soccer Stadium

On January 18, 2012 the Design Review Sub-Council (DRsc) reviewed a request from the Athletics Department to add signage to two locations at Ellis Soccer Stadium. The first location is on an existing brick wall and the signage would be seen from the inside of the stadium. The second location is on a new brick wall to be constructed on Chandler Street between the soccer stadium and Reed Arena. This new brick wall will allow the stadium to have an exterior naming opportunity as well as hide the metal bleachers on the north end. The lettering would match the type and size of the existing lettering on surrounding buildings such as the Cox-McFerrin Center for Aggie Basketball. The DRsc had no comments regarding the design or appearance of the lettering and recommends approval of the request as presented.

DATE: January 23, 2012

SUBJECT: Signage for Ellis Soccer Stadium at Texas A&M University

The CBE Technical Review Sub-council reviewed a request for additional signage at the Ellis Soccer Stadium.

The signage would be installed on two brick walls, located both inside and outside the stadium.

Recommendation
The CBE Technical Review Sub-council supports the Athletic Department’s proposal to install signage to recognize the Ellis family’s generous donation.
