April 21, 2014

MEMORANDUM

TO: Dr. Mark A. Hussey
Interim President, Texas A&M University

SUBJECT: CBE Recommendation: Temporary Relocation of Reveille Memorials

At its April 8, 2014 meeting, the Council for the Built Environment (CBE) discussed a request from Student Affairs for the temporary relocation of the Reveille Memorials.

The Reveille mascots that have passed are currently buried in the Zone Plaza outside the north end zone of Kyle Field. Due to the Kyle Field renovation project, the plaza will be closed during the 2014 football season. Approval is requested to move the memorial from its Kyle Field location to Cain Park. The memorials will be in the temporary location for approximately one year before moving back to their permanent location in the Zone Plaza.

Recommendations from the Sub-Councils:

Technical Review Sub-Council (TRsc) – The TRsc supports the proposed temporary relocation and recommends approval, provided the following issues/concerns are addressed and funded.

- Facilities Services
  We support this project. The project team should coordinate with Grounds Management.

- Utilities and Energy Services
  The project and design team will need to follow the TAMU policy on digging on campus - prior to any excavation - https://utilities.tamu.edu/digging-campus/

  There does not appear to be any conflict with existing utility systems in the area.

  If relocation I modification of any TAMU UES systems is required the project will need to follow the TAMU utilities & energy design standards- https://utilities.tamu.edu/design-standards/

CBE Recommendation: Temporary Relocation of Reveille Memorials
Page 2

The CBE voted unanimously to recommend the President’s approval, with noted caveats, the request from Student Affairs for the temporary relocation of the Reveille Memorials.

Karan L. Watson  4-22-14
Provost and Executive Vice President for Academic Affairs
Co-Chair, Council for the Built Environment

B. J. Crain  4-21-14
Vice President for Finance and Administration
Co-Chair, Council for the Built Environment

Concur or not concur with CBE’s recommendation:

Mark A. Hussey  4-24-2014
Interim President

cc: Joe Weber, Vice President for Student Affairs
    Sub-Council Chairs, Council for the Built Environment

LtGen Joe Weber, USMC (Ret)  
Vice President for Student Affairs

FROM:  
Tom Reber  
Associate Vice President for Student Affairs

DATE:  
February 25, 2014

SUBJECT:  
CBE Request: Temporary relocation of Reveille Memorials

The Reveille mascots that have passed are currently buried in the Zone Plaza outside the south end zone of Kyle Field (Attachment A). Due to the Kyle Field renovation project, the plaza will be closed during the 2014 football season.

For that reason, we have been asked to relocate the memorials in August of this year. When the Bernard C. Richardson Zone was built, it also necessitated the relocation of the memorials to Cain Park.

I am requesting approval to move the current memorial from its Kyle Field location to Spence Park (Attachment B). I have submitted a work order to SSC and, once approval is obtained, will finalize plans to relocate the memorial during the week of August 18th. The memorials will be in the temporary location for approximately one year before moving back to their permanent location in the Zone Plaza.

Please let me know if you have any questions or concerns.

Chair, CBE Technical Review Sub-council

DATE: March 24, 2014

SUBJECT: CBE TRsc Recommendation: Temporary location of Reveille Memorials

On March 10, 2014, the CBE’s Technical Review Sub-council heard a presentation on the proposed temporary relocation of the Reveille Memorials.

The Reveille mascots that have passed are currently buried in the Zone Plaza outside the south end zone of Kyle Field (Attachment A). Due to the Kyle Field renovation project, the plaza will be closed during the 2014 football season.

For that reason, we have been asked to relocate the memorials in August of this year. When the Bernard C. Richardson Zone was built, it also necessitated the relocation of the memorials to Cain Park.

Recommendation
The Technical Review Sub-council supports the proposed temporary relocation and recommends approval, provided the following issues/concerns are addressed and funded.

Facilities Services
We support this project. The project team should coordinate with Grounds Management.

Utilities and Energy Services
The project and design team will need to follow the TAMU policy on digging on campus – prior to any excavation - https://utilities.tamu.edu/digging-campus/
There does not appear to be any conflict with existing utility systems in the area.

If relocation / modification of any TAMU UES systems is required the project will need to follow the TAMU utilities & energy design standards - https://utilities.tamu.edu/design-standards/
